

A man in a red t-shirt, white shorts, and white sneakers is running on a track. He is wearing sunglasses and has a focused expression. The background is a blurred stadium with tiered seating. The lighting suggests it's either early morning or late afternoon, with long shadows cast on the ground.

MOISTURE MANAGEMENT MESH

Moisture Management Mesh fabric has been specifically designed to transport moisture from your body to the outside of the fabric where it can quickly evaporate. You'll stay drier, feel cooler, and perform better.
